

Endo Summit

SURGERY

March 8, 2024

Program

The Nicholson Center,
Celebration

700AM DOORS OPEN

730AM NOVEL APPROACH TO ENDOMETRIOMA MANAGEMENT

Dr. Andrea Vidali, NJ/NY
@endometriosis_surgeon

755-850AM SURGICAL BOARDROOM MODERATED BY DR. JOE RACCUIA

Ureter Endometriosis

Dr. Yaniv Larish @realurology

Parametrial Endometriosis

Dr. Abhishek Mangeshkar

@endometriosis_india

Adhesion Prevention

Dr. Mona Orady @drmonaorady.care

Neuropelveology

Dr Nicholas Fogelson

@nicholasfogelson

855-915AM ADENOMYOSIS

Dr. Antonio Gargiulo

@antoniogargiulomd

915-940AM

Exhibit Hall Break

940-950AM NEUROMUSCULAR CAUSES OF PELVIC PAIN

Dr. Allyson Shrikhande

@doctor.allyson

950-1050AM DUELING PODIUMS MODERATED BY DR. ADAM DUKE

HYPOGASTRIC NERVE & THE ENDO BELLY

Dr. Lora Liu

@drlui_endometriosis_surgeon

Dr. Andrea Vidali

@endometriosis_surgeon

EXCISION WITH AND WITHOUT PRIOR ABLATION

Dr. Rachel Haverland

@pelvicrehabilitation

Dr. Laurence Orbuch

@drlarryorbuch

APPROACHING PELVIC PAIN

Dr. Liane Rogerio, Brazil

Dr. Maurice Chung

@drmkchung22

*Imaging and Groin Labs IN PERSON ONLY
Must be medically licensed for either lab

1055-1115am Keynote 1

Dr Mario Malzoni, Italy

@mario_malzoni

1115-1130AM DEVELOPMENTS IN ULTRASOUND AND MAGNETIC RESONANCE IMAGING FOR ENDOMETRIOSIS

DR ALESSANDRA DI GIOVANNI

1130-1230PM

Endometriosis & Imaging

Live Ultrasound Demonstrations

Endometriosis can be subtle and enigmatic to spot with traditional imaging techniques. To foster reliability and encourage better surgical planning we present the latest advances in imaging. Through education we break the barriers that may impact and gaslight people with endometriosis.

Demo 1: Dr Mauricio Abrao and Team

Demo 2: Dr Megan Wasson and Team

1215-100PM LUNCH

100-500PM PHYSICIANS TRACK IMAGING LAB

SEE ATTACHED SHEET FOR SCHEDULE

100-130 MENTAL HEALTH

Why "Me" Matters in EndoMEtriosis

Keara Newton LCSW

@endocenterofchicagoland

Mental Health and Endometriosis

Dr. Alex Milspaw Phd LPC CST

@dralexmilspaw

135-245 GROINOCLOGY

Inner thigh, lower abdomen, leg, hip, and vulvar pain are intricate and complex.

Hernia, labral tears, FAI, pubalgia, pelvic nerves all mesh together in the soup of pain generation. *intro by Dr. Sallie Sarrel*

PT ATC DPT

@drsalliept

Orthopedic Hip Evaluation

Dr. Bryan Graham PT DPT

Pelvic Nerve Road Map

Dr. Sandra Sandhu-Restaino

@pelvicrehabilitation

Maybe not your ovary pain: hernia

Dr. Mark Zoland @drmarkzoland

Vulvar Issues

Dr Tracy Sher

@pelvicguru1

245-300PM BREAK

300-500PM BREAKOUT SESSIONS

RM 1: UPDATES IN THORACIC ENDO

Dr. Wendy Bingham PT DPT

@extrapelvicnotrare

Rm 2

Endo Summit Spanish

Únase a la comunidad latina de endometriosis para comprender la endometriosis, el trauma de la enfermedad, cómo acceder a ayuda y cuidados complementarios como la fisioterapia pélvica.

Presentado por Mariela Guzmán, Dr. JD

Eugenion Colon, Dr. Juan Salgado y Dra.

Valeria Martinez-Sanchez, PT, DPT,

Endocipota/Nathali y se agregarán más.

Sesión en Vivo y Sesión Virtual sin costo (Única entrada para esta sesión)

Rm3

groin•col•gy

Our Pelvic Health Therapy lab will explore all things groin and leg pain. Leave lab with the ability to evaluate and treat hip and vulvar pain, and be able to evaluate for hidden hernias and pelvic nerve related issues.

LAB DESCRIPTION TO FOLLOW
